CHICAGO GRAIN.

CHICAGO, Aug 13 .- There were rumors of export sales of cash wheat today from Chicago, but the leading interests discredited such reports. It was admitted, however, that ers had bought somewhat in this market for May delivery. Indirectly the market here felt also the effect of the Argentine drought and the wet weather in southern Russia and in Roumania. Although trade was limit-ed in volume, the tone at the close was firm. September ranged from 1027-8@103 to 1033-4, and finished 5-8 to 3-4 up at 103 1-2@102 5-8.

SALT LAKE, Aug. 13 .- Tom Moore, or as he is known about police head-quarters, "Old Tom," one of the in-mates of the "dope fiend" section of the city jall, attempted to kill him-self this morning. He made a severe gash in his right forearm with a rusty knife that he had managed to get hold of, severing an artery. First aid was given the man by Detective Earl Ripley. Dr. H. B. Sprague was called, who fixed the man up, and he is now all right again, with the exception of being weak from the loss of blood.

"Tom" is one of the most abject

cases of the effect of "dope" now in the city prison. He lives but to moan the city prison. He lives but to most in delirium, and weep in nerve-racking agony. A confirmed morphine user, he is a pitiable object. He is a fa-miliar figure on the streets of the city, his bent figure and always ex-tended band asking for money, being vell known in all the down town sec I tions.

He has tried frequently before to kill himself, but has not succeeded. This morning's attempt was the second during the past week, having a few days ago tried to cut his throat. Yet some of his attempts at suicide, the police officers claim, are but a sham, as he so craves the drug that

he will do anything for a "sket."

When asked in the emergency hospital this morning, in reply to his plea for some of the stuff if he had had any, he replied that "he had had eight grains, but he needed a bucket-When his condition was disvered this morning, City Jailer Tom Gillespie quickly attended the man, taking him at once to the emergency

He is now resting easy, with the best attention being given him that the surroundings will permit.
